

New Feature Video - Labels, Language texts and Report groups

2023-05-03 - Kate Coles - [Comments \(0\)](#) - [General](#)

Lasernet for Dynamics 365

In our latest Feature Video, Dynamics Team Manager Kevin Tattersall gives us a walkthrough of Labels, Language texts, and Report groups. Watch the video [here](#).

There is now a dedicated Feature Videos playlist on our [YouTube channel](#). You can subscribe for updates on all our video releases.

The image shows a screenshot of a YouTube playlist page. The left sidebar contains the following information:
