# New - Feature Videos

2023-04-21 - Kate Coles - Comments (0) - General

A new series of videos, created with our Delivery Team, gives you an in-depth look into our software and processes. More are on the way so keep an eye out for further updates.

Functional Consultant Nathan Gould demonstrates Formpipe's integration between Autoform DM and Dynamics 365.

Technical Solutions Manager, Tobias Dupont, demonstrates how to set up Cloud Print Connector using a Default Configuration.
